

The CCS CHAMBER CHORUS

Pamela Legendre, Director

The CCS CHAMBER CHORUS is especially designed for those young singers who want to experience a more advanced choral experience.

These students have the opportunity to:

- learn a wide variety of choral repertoire (including theatre music);
- develop listening and sight-singing proficiency;
- sing in original languages (Latin, Italian, French and Spanish);
- improve breathing skills and vowel production;
- enjoy **God's Great Gift of Music** in a choral setting.

All 6th, 7th and 8th graders are encouraged to sing, but it must be understood that attendance to **ALL REHEARSALS** is a necessary step to good performances. A schedule of rehearsals and concert dates will be provided after the Christmas break. Rehearsals will begin in January and continue throughout May.

Please join for the love of beautiful music, while young voices sing together praising God.

Parents and students, please call Ms. Pam Legendre for information at 445-6516.
