

After School Computer Lab Permission Form

To: After School Computer Lab Volunteers, Jim Fieser, Beth Schwartze

From: _____ (**PRINT** PARENT NAME)

Date: _____ / _____ / _____

Please allow my child / children _____, _____,

_____ or _____ to utilize the After School Computer Lab which is open on Tuesdays and Thursdays at 3:10, and the 2nd Wednesday of the month on Spirit Day (2:00 dismissals). I understand that the lab closes at 5:00 p.m. and I must come to the PC lab in the Educational Center to collect my child/children before that time. I understand that if I have not picked up my child/children by 5:00, they will be taken to After School Child Care and I will be charged \$2.00 per child.

My child/children understand(s) that:

- if they have an after school activity, they have to check into the PC Lab before 3:20 on the way to the activity;
- priority is given to students that have school work to perform over playing computer games;
- they cannot be dismissed to After School Child Care or go out to meet a parent;
- they may bring snacks to eat in the Lab, but snacks are not distributed by the volunteers nor consumed at the PCs; and
- they will not be allowed to play games containing any form of violence or content inappropriate for a Catholic school.

A separate note will be sent to the After School Computer Lab if someone else (e.g. a coach) will be picking up my child for a game or practice.

This note applies to ____ Tuesdays, ____ Wednesdays and/or ____ Thursdays

(check at least one) until (month) _____ / (year) _____.
