TRACK TEAM UNIFORM CARE

TO THE ATHLETES / PARENTS:

The gear (sweatshirt/sweatpants/singlet/and travel/equipment bag) issued to you is the pride and joy of our CCS Tiger Track Team. In the past 9 years we have progressed from a team whose uniforms have consisted of a white T-shirt with black soccer pants to a team with warm-ups, singlets, and travel bags that are superior in quality and design to any you will see in your competition. These uniforms are the generous gift of a contributor who is a great believer in CCS as an institution and Track & Field as a sport.

Please treat these uniforms as you would your finest clothes, because there are public high school track teams who **DO** envy what you have! Note the numbers of the gear you are issued and make sure you do not loose it.

Mrs. Garner has given permission for the athletes to wear their uniforms to school the day of a meet, if it is hot then the extra gear, i.e. the sweatshirt may be kept in the equipment bag during school.

At a meet always have an appointed site or place aside from any other team where all the warm-ups are kept (if taken off for an event). This place will be our "BASE", insure that at least one team member is there to oversee their security AT ALL TIMES! You will always come to a meet with your warm-up pants and hooded sweatshirt, gold CCS singlet and travel/equipment bag, remember it often gets cold toward the end of a meet. MAKE SURE THAT YOU ALWAYS LEAVE A MEET WITH ALL THE EQUIPMENT YOU CAME WITH !!

TO THE PARENTS:

Please wash the uniforms according to the instructions on the uniform tags. Reinforce with your athletes the importance of care for their issued gear. All issued gear (washed), will be expected to be returned the Monday following the last meet of the season to the CCS office. Note that any issued items are numbered and issued to the athletes and noted on a ledger. Thank you for your care and attention with our most prized gear!
